TOUCHMARK ANNOUNCES NEW SALES REPRESENTATIVE

HAYWARD, CA MAY 20, 2009: TouchMark a division of Delphon Industries and industry leader in Electronic and Medical Device Pad Printing, announced today the appointment of Diablo Sales & Marketing to provide technical applications and sales support in the western United States and Western Canada.

Diablo Sales and Marketing is one of the leading manufacturers' representative organizations specializing in high quality components and materials used in injection molding and extrusion for the medical device and high technology sectors. Diablo has engineering sales offices located in the Bay Area, Southern California, Colorado and the Pacific Northwest and are strategically located to service their medical device customers. TouchMark will work with Diablo's engineering and sales resources in order to deliver more complete manufacturing solutions to its customers.

~ MORE ~

"We're confident that our new relationship with Diablo Sales and Marketing will provide our West Coast customers with a higher level of local technical sales support" says Raymund Abiera, Sales Manager for TouchMark.

Background:

TouchMark, originally founded in 1992, was purchased by Delphon Industries in 2006. For more than 15 years the company has worked closely with leading electronics and medical customers to provide solutions to their pad printing challenges. TouchMark has developed an expertise with difficult substrates, inks and unique shapes. In addition to pad printing, the ISO Certified company has expanded its offerings over the years to include material procurement and preparation, incoming inspection, Cleanroom assembly, as well as post production services. The company is constantly growing its service menu to meet the changing needs of medical device and consumer electronic manufactures.
