TOUCHMARK OFFERS COMPLIMENTARY NRE

HAYWARD, CA MARCH 2, 2009: TouchMark a division of Delphon Industries and industry leader in Electronic and Medical Device Pad Printing, announced it is offering complimentary NRE (Non-Recurring Engineering or set-up fees) on all qualifying new orders. Through April 30, 2009, any customer who submits a new Pad Print order will not be charged the standard NRE.

"We value our customers' loyalty to TouchMark," says Jeanne Beacham, CEO. "We want to express our appreciation in a way that will help them succeed." This special pricing is offered to new and current customers.

Background:

TouchMark, originally founded in 1992, was purchased by Delphon Industries in 2006. For more than 15 years the company has worked closely with leading electronics and medical customers to

provide solutions to their pad printing challenges. TouchMark has developed an expertise with difficult substrates, inks and unique shapes. In addition to pad printing, the company has expanded its offerings over the years to include material procurement and preparation, incoming inspection, Cleanroom assembly, as well as post production services. The company is constantly growing its service menu to meet the changing needs of medical device and consumer electronic manufactures.
